Mon, 17 Sep 2018 01:44:00 GMT A Reason to live by Matthew Iden was a great read! I like the character of Marty Singer, I found myself rooting for the old guy. I like the fact that he kept the scenarios realistic I often wanted Marty to win every fight or outsmart his adversaries at every turn but I realize that, that is just not realistic and it made me appreciate Matthew's story even more.
